

Heavy Duty Drills

HIGH SPEED M-2 STEEL

HEAVY DUTY

BRONZE & BLACK FINISH

This drill does not have the special features of the Nitro drill. The heavy construction affords efficient portabel drilling in medium strength alloy materials. The split point reduces the thrust requirements and minimizes walking. This is a sitable drill for the construction industry.

Packaging: 1/64" thru 19/64" and #1 thru #60, 12 per pack. 5/16" thru 1/2", 6 per pack.
